

Main thought: God's power is so great that if He looks, the nations shake and the mountains are scattered. It is not God's wrath against the rivers or sea, however, but against the wicked that brings this destruction.

Habakkuk 3:6–8

He stood and measured the earth;
he looked and shook the nations;
then the eternal mountains were scattered;
the everlasting hills sank low.
His were the everlasting ways.
I saw the tents of Cushan in affliction;
the curtains of the land of Midian did tremble.
Was your wrath against the rivers, O LORD?
Was your anger against the rivers,
or your indignation against the sea,
when you rode on your horses,
on your chariot of salvation?

Prayer

Awesome in power are You, O Lord, who in Your greatness created the heavens and the earth and established the nations. Teach us that even these things will perish but Your salvation is from everlasting to everlasting. Amen.
